Practice News

We appreciate patients seeking alternative parking since the changes we made on the 1st April 2016 to staff parking only, thank you for your understanding.

There are two disabled parking spaces provided for frail, disabled and infirm patients which will be kept available at all times. It will still be possible to drop off patients at the practice or pharmacy.

There is road side parking in the area, but please be aware of the parking charges that now apply; and allow plenty of time for your appointment(s).

There are two car parks approximately 500 yards from the practice:-

The Triangle Car Park, in Russell Street and Magdalen Road Car Park – charges apply.

We have a new registrar, Sarah de Courcy who joined us in August 2017.

We have also welcomed Dr Fiona Stuart who replaces Dr Anna Griffiths.

The Practice has recruited two new administrators Sandra and Nikki who are in the process of being trained; increasing our staff levels for the New Year.

We would like to wish all our patients a Happy Christmas and a Happy New Year!
