

## **FRIENDS & FAMILY FEEDBACK MAY 2016**

**Very friendly staff. Very easy to get quick appointment if needed**

**I'd like to say thank you for notifying me of a forthcoming Dementia event talk, but more notice would be appreciated**

**I think it would be a good idea to work out every patients BMI once a year at least. This would help monitor whether a patient is over or under weight and could make a crucial difference to someone's health**

**Athelstan Road, Exeter, Devon EX1 1SB**
